

Dear person reading this,

This is for you. Whether an angel delivered it to you, or you found it on the street...it's not an accident.

God loves you, and is FOR you. He misses you and wants your friendship and conversation. It's not religion, it's a deep and intimate RELATIONSHIP that He seeks with you.

Are you struggling to make sense of the world today?

There's a book with all the answers. And God sent a guide that will help you understand it.

You know that voice in your head, that tells you when danger is near, or who and what to trust? That's God's Holy Spirit. He's a gentle soul who, if invited, will teach you all about God's Kingdom and His Son Jesus.

To know God's son Jesus, is to know peace.

The Holy Bible promises that if you seek Him with all your heart, you WILL find Him. You are reading this because He has been waiting for you to call out to Him.

It doesn't matter what you have done or where you have been - good or bad. The past is the past. YOU (yes, you) are being invited into God's Kingdom. All you need to do is say, "yes".

It's time. What do you have to lose?
Talk to God.
He's waiting for you.

Community is important. If you need prayer or seek fellowship or understanding, there is a great local church that will welcome you with love and blessings.
